

FrontPage gives you everything you need to create and manage exactly the Web site you want, whether you're creating a personal Web page or a corporate Internet or intranet site.

Create, Edit, Manage, and Update Your Site—All from One Easy-to-Use Application. The multiple views in FrontPage allow you to see all the files in your Web, run reports to find slow pages and older files, set up your site's navigational structure, and keep track of Web tasks and so much more ... **Are you gaining the advantages that FrontPage has to offer?**

A-Certif Ltd provide **Microsoft FrontPage training courses at several levels**, from a basic introduction class to advanced classes, and for all versions of Office. Our experienced trainers are knowledgeable and friendly and will answer all your questions and make sure you are happy with every topic that you need to cover.

We offer **public courses** which have a standard content and take place at scheduled times. Alternatively we provide **private courses** which can be tailored to suit your particular learning requirements and delivered when and where you want them.
