

PageMaker® is the ideal page layout program for education, business, and office professionals who want to create high-quality publications such as brochures and newsletters.

With templates, graphics, and intuitive design tools you can easily leverage existing content to create customized communications. Merge text and graphics stored originally in spreadsheets or databases to create form letters, catalogues plus so much more ... **Are you gaining the benefits that PageMaker has to offer?**

A-Certif Ltd provide **Adobe PageMaker training courses at several levels**, from a basic introduction class to advanced classes, and for all versions of PageMaker. Our experienced trainers are knowledgeable and friendly and will answer all your questions and make sure you are happy with every topic that you need to cover.

We offer **public courses** which have a standard content and take place at scheduled times. Alternatively we provide **private courses** which can be tailored to suit your particular learning requirements and delivered when and where you want them.
