

QuarkXPress® provides all the tools you need to create and deliver high-impact design for both print and electronic media. QuarkXPress offers a powerful suite of features for layout and design, typography, Web page creation, colour management, and output.

An entire panorama of QuarkXPress tools for layout and typography await the artist who is serious about design for print, the Web, and

beyond. QuarkXPress continues to redefine productivity with features that expand the boundaries of your time and push the limits of your imagination. QuarkXPress provides precision tools to assist in your pursuit of perfection during every stage of design and output. Plus so much more ... **Are you gaining the benefits that QuarkXPress has to offer?**

A-Certif Ltd provides **QuarkXPress training courses at several levels**, from a basic introduction class to advanced classes, and for all versions of QuarkXPress. Our experienced trainers are knowledgeable and friendly and will answer all your questions and make sure you are happy with every topic that you need to cover.

We offer **public courses** which have a standard content and take place at scheduled times. Alternatively we provide **private courses** which can be tailored to suit your particular learning requirements and delivered when and where you want them.
